Dear Paul:

25X1

Thank you for your letter of 11 January 1961. I too regret that weather conditions made it impossible for you to be in Washington on 14 December. Certainly I shall be glad to see you any time you are here and suggest that you give Miss [redacted] a call in order that mutually acceptable arrangements can be made.

In the meantime, I shall be thinking about the proposal contained in your letter.

Sincerely,

*Allen W. Dulles*
